

STAR FLEET ALERT

15 DECEMBER 2008

NEXT RELEASES: 26 JAN 09

Star Fleet Battles: Module G3

Master Annex

All of those fussy charts, tables, indexes, and lists from the entire *Star Fleet Battles* game system compiled into one single book, including some entirely new charts and tables never seen before.

SKU 5423, \$27.95

FED COMMANDER: Border Box #8

Pirates!

Twenty-four pewter miniatures for use with *Federation Commander Orion Attack* including the new never-before released Orion Pirate dreadnought, plus many other pirate and police ships, and some targets!

PRIME DIRECTIVE: Federation

Good Guys!

Those annoying do-gooders of the galaxy finally join the Klingons and Romulans in populating the *Prime Directive RPG Universe*. Done for the d20 Modern system but compatible with d20v3.5.

SKU 8702, \$24.95

STARLINE 2400: Orion Dreadnought

Pirate King!

Largest of the Orion Pirate ships, this massive beast is the one you send when something absolutely, positively, *has* to be stolen *today* from the most secure facilities that Star Fleet can find to hide it in.

SKU 0826, \$9.95

For Shipment on 26 January 2009.
