

# STAR FLEET ALERT

## 28 OCTOBER 2009

### JUST SO YOU KNOW

#### OUT WITH THE OLD; IN WITH THE NEW

*Starline 2400 Federation Fleet Box #2, Stock #0201*, has sold out and will not return.

*Federation Commander Squadron Box #91, Stock #4391*, contains better copies of the same ships, and will remain a part of the product line for the foreseeable future.

➡ OLD

NEW ➡

**FOR THOSE WHO WANT THE STORY BEHIND THIS:** When we started ADB, Inc., in 1999, we bought the existing inventory of plastic ships from Lou Zocchi, most of which were in “glow” green and blue plastic, but some were in white. We used these to create and sell **Federation Box #2**. That inventory has now been exhausted. We were fortunate to convince Lou Zocchi to do a new production run earlier this year, and we have that run (in white plastic) in our warehouse. We are using those ships for **Squadron Box #91**. Because this new production cost us more than the leftover inventory which Lou Zocchi originally sold us, **Squadron Box #91** retails for a little more than **Federation Box #2**. If you still have **Federation Box #2**, don't worry, it will sell out quickly due to the lower price point.

**SQUADRON BOX #91 was released last June and is in stores.**
