A Year to Remember...

We are determined to make 2014 a year to remember, since 2013 was one we’d just as soon forget. (Too much time was lost last year to illness and injury of key staff people. We’re past that, and Jean Sexton is now here to help.) We want to see major steps on all of the product lines: The SFB Master Starship Book, FC Tactics Manual, A Call to Arms Star Fleet 1.2, F&E Minors Empires, lots of new ships for Starline, new empires for Starmada, and new material for Star Fleet Marines.

More than that, we want to take the company in a new direction, launching our first Kickstarter project to publish Tribbles vs. Klingons. That light-hearted game will become the model for a series of new “mass market” games to be produced in future years.

As they say: “Heh, heh... Watch this!”
