

***Making New Friends***

The focus for the last six months (and the next year) has been to bring *new* customers into the *Star Fleet Universe* (including more than a few old customers who drifted away and have been gone for a long time). This is seen in the new web site ([www.FederationCommander.com](http://www.FederationCommander.com)) and the efforts to promote that site, and in the new product lines (specifically, *Federation Commander* itself). We love our existing customers and have not lost sight of your needs and requests, but even you veterans admit that we need a bunch of new blood.

*Federation Commander* is not here to replace *Star Fleet Battles*, nor is the new web site intended to replace the old one. Both games, and both sites, have their fans, goals, missions, and objectives and build on each other.
