2. The tournament must be a "Sanctioned" SFB event. It must use the rules from Module T2000 and updates posted by ADB, Inc. on the official web site. This specifically includes the requirements for ethical operations, published tournament ships, and the specific tournament rules. The tournament must be open to any who buy an event ticket; it cannot be limited to a specific group or area. Tournament formats, time limits, etc. are at the discretion of the local judges, *but the winner must be determined by a minimum of three rounds of single-elimination competition*. Players must play the same ship in every round. See current Tournament Book for more info. Have the **Tournament Judge** sign below to certify that the tournament was run in a manner that satisfies these requirements.
