

FOR MEN: WHAT TO SAY TO YOUR WOMAN

WRONG	OK	BETTER	BEST
Are you going to wear that?	That outfit is fine; it doesn't make you look fat at all.	Wow, look at you! I can't wait to show you off.	You always dress well. Can we go shopping together?
Can't you see I'm watching the game?	I finished my chores and am going to watch the game.	What would you like to watch?	Project Runway is on in a few minutes.
I am going out with the guys.	Do you mind if I go out with the guys?	Do you think maybe I could go out with the guys sometime?	Why would I want to spend time with those guys?
I bought a new gun.	I bought some new power tools to work around the house.	I bought you a present.	Let's to go town and buy you a present. Anything you want.
I invited my family to drop by.	Do you want to invite your family to drop by?	When is your family going to drop by?	I invited your family to drop by.
Oh, is it your birthday?	Sure, I remembered your birthday. The store said your present would be ready ... about now.	Here is your birthday present. I bought you two in case you don't like one of them.	Don't lift a finger on your birthday except to open your presents.
Should you really be eating that?	There are some apples in the fridge. Want one?	Could I get you a piece of chocolate to go with that?	Name anything you want to eat, and I'll go get it.
That woman looks great. Why don't you look like that?	Yeah, she's nice, but your outfit is better than hers.	She's got nothing on you.	What woman? I didn't notice.
Our house is a mess.	Would you like help picking stuff up?	Would you like me to help clean the place?	The maid will be here in an hour.
What are you so worked up about?	Now, could we be overreacting, a bit?	You are right; I was wrong.	It's all my fault.
What did you do all day?	I hope you didn't over do it today.	I have always loved you in that robe.	Where is my list of things to do?
What is for dinner?	Can I help you fix dinner?	Where would you like to go for dinner?	What can I bring you for dinner?
What's wrong with us just living together?	Will you marry me?	Let's plan our wedding together!	Happy Anniversary, Dear!
