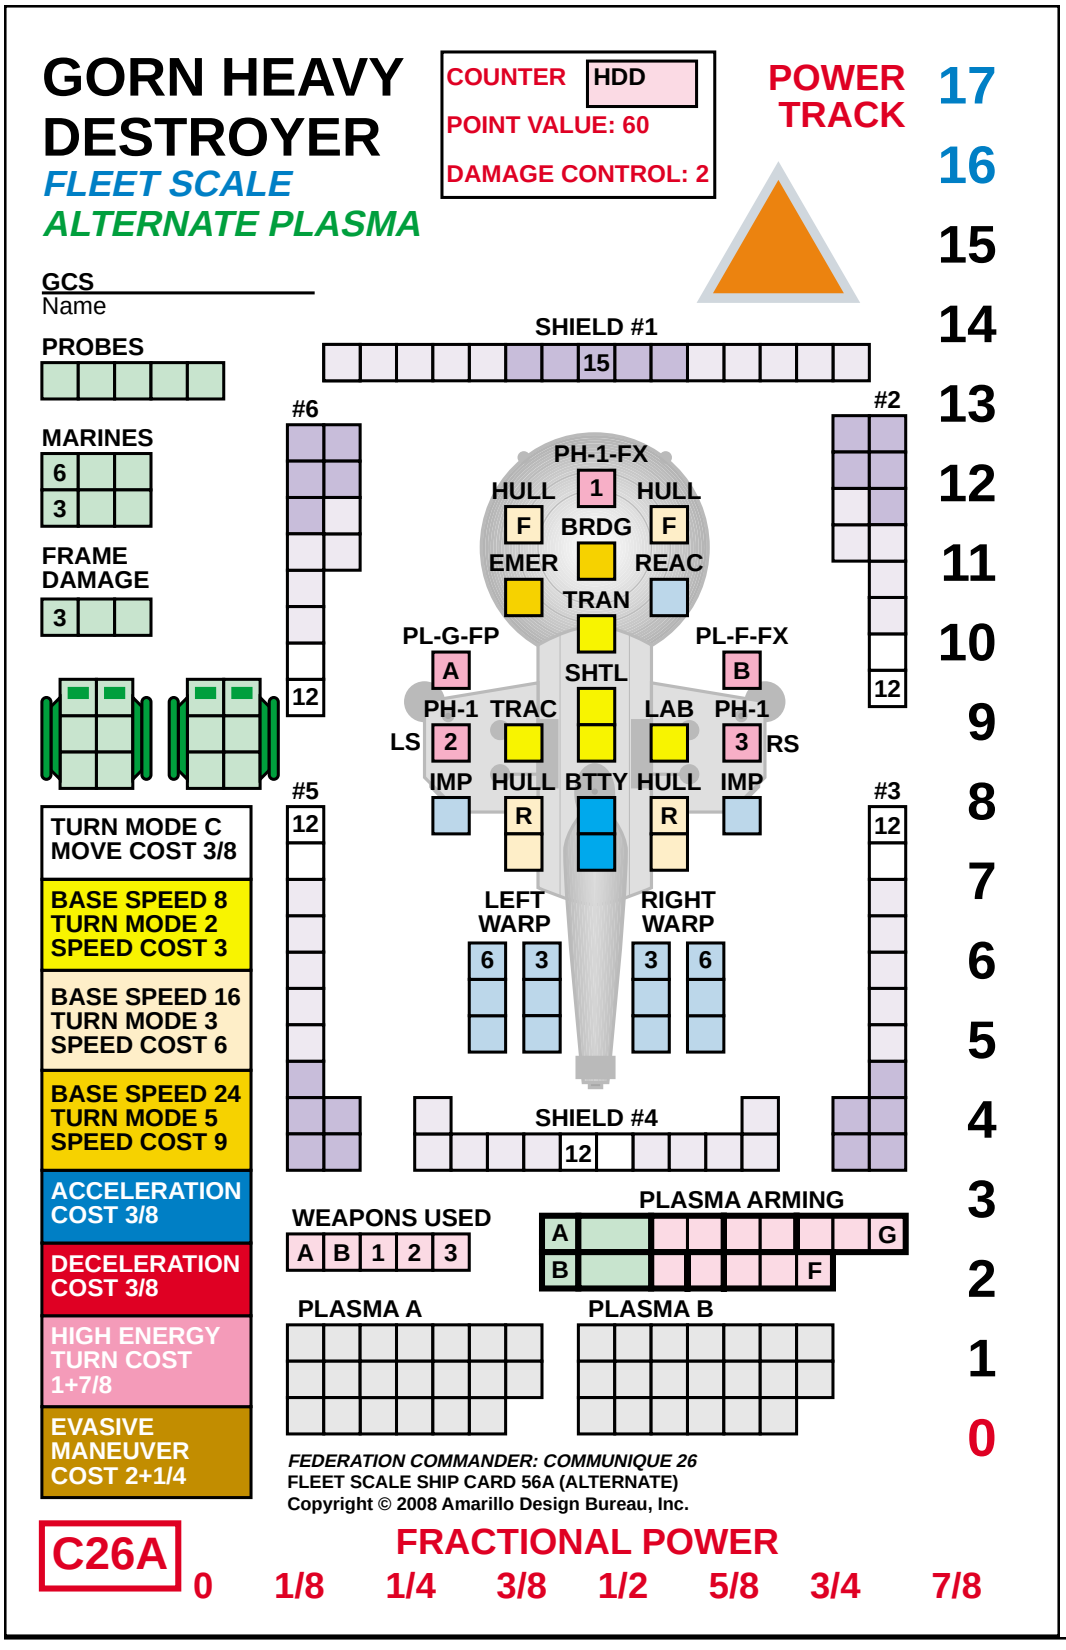
SPECIAL FLEET SCALE SHIP CARD



The publisher grants permission to players to make up to 25 photocopies of this page per month (and to print on his own printer as many as he wants) for personal use. Reproduction for sale is **not authorized**.

GORN HEAVY DESTROYER *ALTERNATE PLASMA*

This ship card, suggested by Mike West, provides an alternative plasma arrangement which (for some players) might be better suited to their style of play. This version includes one plasma-F and one plasma-G instead of a single plasma-S. This gives the Gorn player some other firing arcs and two torpedoes to work with.
